Image Cell of the Nervouse System

Question 19:

Which of the following helps in repair of tissue and fills up the space inside the organ?

1. Tendon
2. Adipose tissue
3. Areolar
4. Cartilage

Answer: C

 Image Areolar connective Tissue

Image Areolar Connective Tissue

Question 20:

The muscular tissue which function throughout the life continuously without fatigue is

1. Skeletal muscle
2. Cardiac muscle
3. Smooth muscle
4. Voluntary muscle

Answer: B

 Image B. Cardiac muscle diagram and microscopy

Image B. Cardiac Muscle Diagram and Microscopy

Question 21:

Which of the following cells is found in the cartilaginous tissue of the body?

1. Mast cells
2. Basophils

Visit examrace.com for free study material, doorsteptutor.com for questions with detailed explanations, and "Examrace" YouTube channel for free videos lectures

3. Osteocytes

4. Chondrocytes

Answer: D

 Image D. Chondrocytes cells
